Presidents' Message

The first time we were presidents, there were things we wanted to accomplish, but just ran out of time. Now, the second time we served together, we were able to get those goals done or added to our program. Those goals could not have been achieved without the help of other sisters. So many of our sisters jumped in to help whenever they were asked. We thank you. We are so grateful to our sisters Mary Bumstead and Marilyn Stanton who have stepped up to be our new Co-presidents. We also want to thank Diane Rogers, Sue Datish, Hope Collins, Katie Hank, Rene Penn, Barb Layfield and Linda Falatic who will complete our slate of officers for the next biennium. Some of the words in the Peanuts song, "Happiness Is," express our feelings:

Happiness is having a sister,
Sharing a sandwich.
Getting along.

Happiness is singing together when the day is
through.

And happiness is those who sing with you.
And happiness is anyone and anything at all.
That's loved by you.

We love you, Beta Chi Sisters.
